

On behalf of the ALAN JACKSON KARS4KIDS committee and the children at TN Baptist Children's Home, Brentwood Campus, I want to invite you to participate in this year's car show event scheduled for April 19, 2008. The event is open to all makes and models of automobiles. We even have a class for go carts and motorcycles. If you have anything motorized bring the family, enter the show, and have a fun filled day while supporting a very worthy cause. You may be surprised and take a trophy home or even better yet, take the Kids Choice Trophy Home, which is selected and presented by the children who live at the Brentwood Campus. Last year Alan Jackson brought a couple of vehicles from his collection along with his tour bus, which he allowed visitors to go through.

This show began because Dr. Ivan Raley was willing to take a chance on a couple of car guys that wanted to use the campus to put on a car show. That day in Dr. Raley's office, we made him a promise that if he allowed us to do the event, 100% of the net proceeds would be given to the children. That is a promise we intend to always honor. The individuals that work to put on this show do so out of the goodness of their heart as a way to give back to others, for you see no one has ever or will ever make any money for helping with this event. Therefore, we are proud of the fact that each and every year KARS4KIDS has been able to provide extra funding to the summer activities program to help these children take part in activities that may not have been possible without the additional funding provided by your generosity in being a part of the show.

We expect to have 150 or more entrants this year with vehicle manufactures represented from all around the world. We will have show cars, Corvettes, muscle cars, Canadian, British, Asian, amphibious vehicles, New and Old Fire Trucks, we've even had a Tatra. You name it we usually have it.

The Lane Motor Museum will be on hand again this year with a variety of unique vehicles from Europe and we never know what to expect. If you arrive early enough you can see the parade of vehicles from the Lane Motor Museum as they enter the campus. Although the vehicles from the Lane Museum are quite unique and very rare, they believe cars are meant to be driven and it always a site to see them enter the show area.

The main focus of this event is: 1) for the children at TN Baptist Children's Home to have a day of fun, 2) to raise a little money and public awareness of the home (All net proceeds go to "The Tennessee Baptist Children's Home, Brentwood Campus" summer activities program), and 3) for everyone involved in the show to relax, enjoy lovely Williamson County and most of all have a good time. This will be the Seventh (7th) Annual Event and each year we try to learn from the previous year to make the event better for everyone involved, but we always keep our main focus on serving the Lord and helping the children.

This show is supported by the City of Brentwood, the Mayor, Fire & Police will be present, which help select winners and present a trophy. We will have plenty of fresh off the grill hot dogs and hamburgers, automotive related vendors and children's amusements. Throughout the day children at the home will be going around greeting show participants and visitors. From time to time our disc jockey will be asking trivia questions for prizes to be awarded by the children. With over 50 acres of rolling, wooded show area (a truly lovely venue) to fill, join us for a day of fun!

Thanks again for your great support and please feel free to contact me at any time.
